

Current visitor information about the Coronavirus

In the interest of general health care, we ask all visitors and service providers in the Industrial Park Kalle-Albert to complete a self-declaration on coronavirus (COVID-19 / SARS-CoV-2) and present it at the visitor registration desk before entering the industrial park. The verification serves to identify persons who are counted among the COVID-19 risk group. The criteria for this are:

- Within the last 14 days, contact with a coronavirus sufferer.
- Signs of flu-like symptoms such as fever, cough or breathing difficulties.

Without the presentation of the self-declaration, visitors and service providers will not be able to access the Industrial Park Kalle-Albert until further notice. This also applies to persons belonging to the COVID-19 risk group.

We ask for your understanding and at the same time would like to ask you to consider the protective measures recommended by the Robert Koch Institute. These include frequent and thorough washing of hands, sneezing and coughing in the crook of the arm, keeping a minimum distance of 1,5 m from other persons and refraining from shaking hands. You can find more details on this at www.rki.de.
