

Visitor Requirements & Questionnaire about the pandemic situation

In the interest of general health care, we ask all visitors and service providers in the Industrial Park Kalle-Albert to complete a self-declaration on coronavirus (Covid-19/SARS-CoV-2) and present it at the visitor registration desk before entering the industrial park. The verification serves to identify persons who are counted among the Covid-19 risk group. The criteria for this are:

- Within the last 14 days, contact with a coronavirus sufferer.
- Signs of flu-like symptoms such as fever, cough or breathing difficulties.

Without the presentation of the self-declaration, visitors and service providers will not be able to access the Industrial Park Kalle-Albert until further notice. This also applies to persons belonging to the Covid-19 risk group.

We ask for your understanding and at the same time would like to ask you to consider the protective measures recommended by the Robert Koch Institute. These include the “AHA+L” standards for frequent and thorough washing of hands, sneezing and coughing in the crook of the arm, keeping a minimum distance of 1,5 m from other persons, refraining from shaking hands and frequent room ventilation. You can find more details on this at www.rki.de.

Further Requirements for Access to the Industrial Park Wiesbaden

For working in the Industrial Park Kalle-Albert the [official regulations on occupational safety and health](#)* (i.e. “SARS-CoV-2 Occupational Safety and Health Standard” / “SARS-CoV-2-Arbeitsschutzstandard”, „SARS-CoV-2-Arbeitschutzverordnung“), implemented by the German Federal Government, must be strictly observed.*

Also we point out that wearing at least a medical mouth-and-nose protection (MNP) or a FFP2-mask is mandatory

- if a minimum distance of 1.5 m to other persons cannot be maintained when visiting or carrying out work – this in particular also applies outside;
- in enclosed rooms and traffic areas inside buildings such as corridors or staircases;
- when using vehicles in the industrial estate with several persons;
- if customers, clients or hosts expressly demand that MNP be worn.

Additional binding information on the topic is available on:

<https://www.infraserv-wi.de/de/startseite/informationen-zum-coronavirus.html>

Please also comply to additional protection measures possibly implemented by individual companies in the Industrial Park Kalle-Albert. To avoid, for example, that certain buildings cannot be entered, please ask your host or client in advance about these regulations.
